My strengths are primarily on front-end designing with HTML and CSS. Have experienced training in JavaScript, MySQL, NoSQL, ORM, Node.js and Express Handlebars.

PROFESSIONAL EXPERIENCE

Ideal Impact Inc. - Houston, Texas

Project Manager – November 2015 - Present

- Management of client savings projects. Have worked with 35 clients and helped generate over \$3,000,000 in savings.
- Currently managing 15 ISD projects with combined savings targets of over \$2,000,000.
- Have addressed 100+ client project related problems by recognizing, defining and providing relevant solutions through careful detail examination.
- Moving clients to independency.
- Have managed 12 projects on the front end and achieved the goal of getting new projects “up-and-running” very quickly.
- Through the completion of 8 in-house ladders, achieved Project Management level 7.

IMB - Berlin, Germany

Group Starter – February 2003 - September 2015

- Teamed with 3 (German, Turkish and Kurdish) national workers to get a fellowship group started.
- Partnered with a German national in having conversations with more than 60 nationalities over a 12 year period.
- Assisted 3 groups from the USA in initializing local projects they came to do.

FBC - Monroeville, Alabama

Student Leader – June 1999 - January 2003

- Was actively engaged with over 75 students in a group environment, teaching them responsibility and accountability in personal growth and development.
- Managed and assisted in the organization 5 youth conferences, utilizing the resources of higher-end youth leadership resources.
- Mentored and counseled at least 3 students on a personal level, helping them manage personal and school related problems.
- Worked conjunctively with 6 leaders in the overall teaching, counseling, and training of 400 members.

Conroe TX, USA
